

STAPLES®

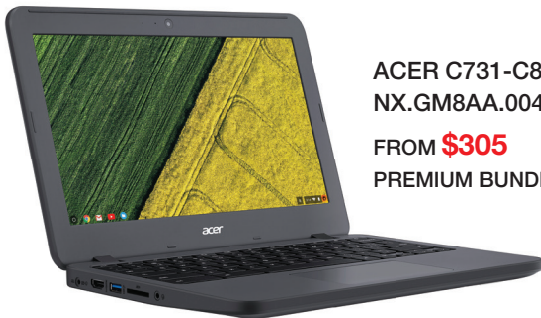

BRING YOUR OWN DEVICE

Staples® Canada strives to make it easy to Bring Your Own Device (BYOD), wherever you go. Staples is a proud supporter of programs and initiatives that encourage education, build entrepreneurship and preserve the environment.

Staples has partnered with the Renfrew County District School Board to be the source for teachers, parents and students when it comes to meeting all your school and classroom technology needs.

The Chromebook bundles shown below are recommended by the Renfrew County District School Board and are available in several combinations. Find the best fit for you and your child and visit the nearest Staples location, where you will be served by our highly trained associates.
