2. Cross-boundary transfer applications will only be considered if the cross-boundary school has available space (schools are required to adhere to all Ministry of Education guidelines and class sizes), appropriate allocation of staff, and there is no additional facility or transportation costs to the District. The District reserves the right to rescind a cross-boundary transfer at any point in time should circumstances warrant.
3. An approved cross-boundary transfer application is for one year only; families must re-apply yearly by February 15 for the following school year.
