<Date>

Dear Principal,

My name is _____.

I am writing this letter to inform you that I have withdrawn from parental control. This letter has information about my independent living situation so the school can provide appropriate supports if I need them and so that the school can respect my rights under the *Education Act*.

In my case, I am now living separately and independently from my parents. I have made an independent decision to attend your school. I ask that you respect my withdrawal from parental control. Please do not share any information about me with anyone without my express consent.

Sincerely,
