

# STUDENT SUPPORT FUND

## Employee Payroll Contribution Program Enrolment Form

In 2016 our District established the Student Support Fund (SSF), as a way to reduce financial barriers that were limiting the participation of students in school-related activities and events. Through the SSF, students are able to access financial or in-kind support for extra-curricular program fees, college application fees, or clothing and footwear.

As an employee, you have the opportunity to directly influence the well-being and future success of our students and be a supporter of the SSF.

Please consider making a regular donation, or increasing your existing donation, through the RCDSB Employee Payroll Contribution Program and help us work toward making sure that no student is left behind. Simply fill out the bottom of this letter and return it to HR. If now is not the best time, you can sign up or withdraw at any point by sending an email to [paydept@rcdsb.on.ca](mailto:paydept@rcdsb.on.ca).

For more information on the Student Support Fund please visit our page under the Student section of the RCDSB website. Thank you for supporting our students!

Sincerely,

Meredith Caplan Jamieson  
Executive Officer, Public Affairs
