

**RCDSB: Parent/Guardian &  
Student Access**

## How to log into clevr

1. Navigate to clevr using the following URL: <https://www.clevrcloud.ca/clevr/>.
2. Click “Forgot Password” to set a personal password for your clevr account.

3. You will receive a popup asking to enter your clevr username. This is your personal email address. Please be sure to use the same one you have provided to your children’s school.  
*\* Important note for RCDSB staff who are parents - make sure to use a personal email address.*

4. After entering the email and selecting reset password an email will be sent to that address with a link to set your password and then continue into clevr. That password will be your password for all subsequent logins to clevr.
5. You will be prompted to select a password when using this link. Select a password, then click apply.

6. After setting a password, you will be taken to the dashboard where you can access your / your child(ren)’s records. Further instructions will be provided on the dashboard via the Messages card.
